# LAUNCH OF THE CAMPAIGN TO SECURE THE PROFESSIONAL CARDS OF VTC DRIVERS

#### BY TRANSPORT MINISTER ELISABETH BORNE

Paris, Washington DC, 04.06.2019, 02:40 Time

**USPA NEWS** - The government is fully mobilized on a day-to-day basis in the fight against fraud in the area of "c"particular public passenger transport and, in particular, the illegal exercise of the VTC driver profession. Strong actions have already been initiated for several months by the State services: awareness of document fraud for the issuance of titles in the prefectures, coordinated actions of the control services and law enforcement agencies, application design Numerical systems facilitating securities verification operations by the linking platforms, in application of the provisions of Article 1 of the "Grandguillaume" law. The government is fully mobilized on a day-to-day basis in the fight against fraud in the area of "caparticular public passenger transport and, in particular, the illegal exercise of the VTC driver profession. Strong actions have already been initiated for several months by the State services: awareness of document fraud for the issuance of titles in the prefectures, coordinated actions of the control services and law enforcement agencies, application design Numerical systems facilitating securities verification operations by the linking platforms, in application of the provisions of Article 1 of the "Grandguillaume" law.

In order to proceed with this renewal, all VTC drivers still holding a professional paper card must commit by June 30 the necessary steps to switch to a secured card. VTC drivers who hold a professional paper card are therefore requested to pre-register exclusively on the website https://chauffeur-carte.t3p-ingroupe.com/enrolement between June 3 and 30 so that they can take steps necessary to continue their activity. The deadline for submitting renewal applications is June 30, 2019.

A major information campaign is launched for VTC drivers between June 3 and June 30, 2019. Source: French Ministry of Transport
