## **We will fight to the end for the true freedom of this country**

**EX- PM IMRAN KHAN said from ADIALA JAIL**

London , 26.02.2025, 00:25 Time

**USPA NEWS** - Former Prime Minister Imran Khan's conversation with lawyers and media in Adiala Jail:

"We will fight to the end for the true freedom of this country."

Adiala Jail is being illegally controlled by a colonel, which is completely illegal. According to the jail manual, the jail authority is in charge, but the colonel is controlling everything by keeping the law at the tip of his shoe. My meeting with my wife is being stopped repeatedly despite permission in the jail manual. This is the third time that I have not been allowed to meet Bushra Bibi. Despite court orders, I am not allowed to meet. I am not even allowed to meet political people, people from far away come to meet me, they have to wait for hours but they are not allowed. Even my books are being stopped. The purpose of doing all this is to increase pressure on me and my wife, but we are not going to break..!

Our petitions related to human rights are still pending in the Lahore High Court before Justice Baqir Najafi, the Islamabad High Court and the Supreme Court, which have not been heard so far. The sanctity of the Chadar Char Divari is being violated in the country, illegal raids are being carried out, we are not allowed to hold even a single meeting or convention. The constitution gives us the right to hold meetings, but our constitutional rights are being taken away from us. Human rights are being violated everywhere in the country and darkness is rampant.

Pakistan has been internationally recognized for cricket, but now this sector has been destroyed by recruiting people who are considered good. What is Mohsin Naqvi's reputation? Except that he is a tout of the establishment. He has destroyed cricket. The entire system regarding cricket is under the shadow of the chairman, Mohsin Naqvi has no experience regarding cricket. It is very important for any bowler to play Test cricket so that he has stamina, but here the selection has been made in the team in which the players have not played even a single Test match. When I was the Prime Minister, Ramiz Raja was made the chairman, who was a cricket player and experienced.

Mohsin Naqvi was first appointed as the caretaker chief minister, the way human rights were violated during his tenure is unparalleled. Even when the biggest fraud in the country took place on February 8, the same caretaker chief minister was there, and under his patronage, there was electoral fraud in Punjab. Now he is the interior minister and the law and order situation in Pakistan is bad. This person has failed in every field. Mohsin Naqvi considers Asif Zardari as his idol, the same Asif Zardari whose stories of Mr. Ten Percent are famous all over the world. What can be the performance of a person whose idol is someone like Asif Zardari.....?

Only the party officials appointed by me are authorized to give party policy.

"Party discipline is very important - the war is against outsiders. By talking against our own people and diverting attention from the real issues, the agenda of other parties flourishes. Despite my repeated prohibitions, Sher Afzal Marwat did not stop making statements, which is why he has been expelled from the party."
